About US

The Kenya National Committee on Large Dams (KENCOLD) is a professional association registered under the Societies Act 1982 as a local affiliate of the International Commission on Large Dams (ICOLD). KENCOLD's primary goals are to:

- ♦ Create and promote an awareness and understanding among Kenyans on the roles of dams in the beneficial and sustainable development of our country's water resources.
- ♦ Advance the knowledge and skills relating to the science and art of planning, design, construction, management, operation, maintenance, rehabilitation, and decommissioning of dams amongst its members in a safe, financially sound, ecologically and socially sustainable manner.
- ♦ Provide a national committee in Kenya to represent Kenya in ICOLD.

Become a Member

Membership of KENCOLD in any of the following categories is open to those institutions, organisations, corporations, companies and individuals who can satisfactorily demonstrate that they are active in the dam industry and subscribe to the mission of KENCOLD.:

1. The Corporate Members Category which consists of Dam Owners and Operators; institutions and government departments in the water sector; and Professional Companies.

2. Individual Members Category which consists of individual professionals older than 18 years of age who are active in the dam industry; individual private dam owners and honorary members.

Application forms are available at our offices and on our website
